RE: 220 ILCS/5-8-201.10(b) Monthly Compliance Report

Attached with this filing is **North Shore Gas Company** report filed in compliance with 220 ILCS 5/8-201.10 that reflects data for July 2022. Below are specific responses to Illinois Commerce Commission Staff's requests:

- This compliance report (check one):
 - ☒ Includes low-income residential customer data
 - ☐ Does not include low-income residential customer data
- Metric #1 (the number of customers) represents a mid-month customer count for both residential and non-residential customers.
- If certain metrics do not apply to the public utility and the value of zero (0) has been entered, indicate below those metric numbers and explain why they are not applicable:
 - A value of 00001 has been entered for certain data. The 00001 represents errors in the customer data base occurring because, at the time of entry, certain zip codes were entered that are outside of North Shore Gas Company's service territory.

Important notes regarding this compliance report are as follows:

- The residential low income data is a subset of the total residential data.
